

### ***ONLINE SHOPPERS UNITE!***

The chorus earns money when you or (anyone) shops online through the Donation Street website & designates SSA as their organization. This site has hundreds of participating stores (e.g., Barnes & Noble, Target, Macy's) and shoppers gain too as there are special discounts and deals for you!

*AND... it's easy as 1, 2, 3!*

1. On our [Home Page](#), click on the "**DONATION STREET**" link on the upper left.
2. On the Donation Street page, click in the "**Your Purchase Counts**" link on the upper right and select Scottsdale Sweet Adelines. Our chorus name should then appear in the "Your Purchase Counts" box on the upper right. This links your shopping to our account.
3. **START SHOPPING** using the links on the left side of the page to bring up available stores and their offers. Periodically the chorus receives checks for purchases you make.

If you have cookies enabled, you shouldn't have to designate SSA as your organization each time. But be sure to note whether or not SSA appears in the "Your Purchase Counts" box and if it doesn't, select it again.
